MERN Stack Development Course and React Native || Jawan Pakistan

E X P E R I E N C E

April, 2023 - React Native Developer • 97 Solutions
August, 2024 continue - React Native Developer • inApp solutions

- Design and develop web applications using the React Native and MERN stack. Work with product managers and designers to gather requirements and translate them into technical specifications.
- Write clean, well-documented code that is easy to maintain and test.
- Deploy and monitor web applications in production.
- Troubleshoot and debug applications.
- Work with other developers to improve the React Native ecosystem.
